## THOUGHT-PROVOKING, AFFIRMATIVE DISCLOSURES PERTAINING TO ISLAM

### INTRODUCTION

Throughout the past two years I have recorded some provoking thoughts concerning Islam in my pc notebook. I think it is time to make them public. Some are by me and some are from other sources. They are indicated. The thoughts are in no particular order according to subject matter. Some of the sayings are surely similar to those that some readers have had in mind. Neither does the author claim that these statements have never been said before or in some other phrasing.

As the above title indicates, the following entries are affirmative because they present the assertion that there are truths in Islam that have been covered over by the general belief that Islam is peaceful and tolerant. These truths must be uncovered and these truths deserve to be disclosed. As such, Islam's cover becomes penetrated and blown wide open for the interested reader. All of the entries below indicate the truths about Islam.

### ***The Urban Dictionary Defines Islam***

The words in *The Urban Dictionary* are defined literally. Many terms and their meanings are slang words and cultural words with slang commentary and cultural commentary. Placing a word on the website *The Urban Dictionary* means that the word includes not only definitions, but also descriptions, explanations, and examples of usage. Although originally intended to present slang and cultural words to the public, *The Urban Dictionary* now defines any word or phrase.

Entries in *The Urban Dictionary* have been used to decide many legal cases before courts of law.

*The Urban Dictionary* is used by approximately 1 million persons per day. There are about 2000 new entries every day.

The following subjective entries in this present section are from the <http://de.urbandictionary.com/define.php?term=Islam>, which as of this writing has 81 definitions with descriptions, and/or explanations concerning Islam.<sup>1</sup>

<sup>1</sup> For more information refer to [http://en.wikipedia.org/wiki/Urban\\_Dictionary](http://en.wikipedia.org/wiki/Urban_Dictionary). The original orthography of *The Urban Dictionary* entries has been corrected.

- "Islam is a religion of peace and tolerance that advocates the killing of persons who question its peacefulness and tolerance."
- "Islam – the belief that an illiterate merchant in a cave became the stenographer of a sky fairy, recording the infallible word of the sky fairy's boss, after which time said illiterate merchant rose into the sky on a winged horse.<sup>2</sup> Among other peaceful precepts, this belief will earn you 72 virgins in the sky, provided you strap an explosive device to yourself, and set off said device in a place calculated to kill as many innocent bystanders as possible."
- "A religion of perpetual outrage and violence. Its followers have a dangerous preoccupation with death."
- "They keep saying Islam means peace, but that was a misspelling, for piece. Like they want a piece of you, me, and everyone who isn't a Muslim!"
- "Islam is the Arabs' version of Christianity. The Arabs did not have a religion in the 7<sup>th</sup> century so they decided they should have their own because they did not like the fact that the Jews had their religion and the Christians had theirs and they had none and that was very humiliating for them. So they invented their own religion mainly by copying bits and pieces from Judaism and Christianity and then called it Islam. Then they made up pieces as they went along over the years and voilà instant religion! Now the followers of Islam get very touchy about their religion and they go around trying to convince the world that they are very nice people by showing lots of pictures of children and girls in Islamic dress and when they can, they murder anyone that does not believe them."
- "Islam is as Islam does."
- "A self-righteous, violent, fascist, hypocritical but monotheistic religion that was founded by Muhammad, and follows the violent teachings of the Koran that demand Jihad against anyone in the world who is not a Muslim, for the intent of "conversion." In order to earn favor with God, you must follow seven pillars – none of which will save you. This is what separates Islam from Christianity, in that Muslims believe salvation can be achieved by good works (for Muslims), while Christianity teaches that salvation comes only through faith in the resurrected Jesus Christ. Muslims (followers of Islam) call the supreme deity (God) Allah and Muhammad is his prophet."

---

2 There is no source that says Muhammad flew to heaven on a winged horse. Consult the various answers concerning this Islamic folklore and gullibility matter at the following link: <https://answers.yahoo.com/question/index?qid=20130430034712AAmR7Kl>.

- Islam and Muslims claim the word Islam means “peace”; but it is anything but peace. It is a religion of perpetual outrage and violence against (those) of other faiths. Islam promotes the killing and violence of non-Muslims, for conversion. Its followers have a dangerous preoccupation with death and suicide attacks against people as a result. This is an abomination to most religions, because the real, loving God wants Salvation thru faith and not force. Islam hates people of other religions. It embraces terrorism for the sake of destroying the West, Jews, and Israel. Islam believes Jews and Christians came from pigs, which is crazy. This is Nazism at its finest."
- "Muhammad was a murderer so why shouldn't his phony religion be? Islam also teaches that its followers will eventually rule the world, and the destruction of America is in their future. This is partly why 9-11 happened. If you don't believe that Islam is a fascist religion that wants to rule the world then I have some beachfront property in Kansas I would like to sell you."
- "Islam is a religion of nothing but hatred, violence and death. This explains the epidemic of violence in the Middle East."
- "Islam does not mean peace. It means submission (or else!) to the will of the Muslim god Allah and when you submit you become the slave of Allah. All that Allah asks is that you stop thinking for yourself, give up your own decency and divide the world into believers (Muslims) and non-believers (everyone else) which you must not befriend or respect and must eventually either convert, enslave, or destroy. You must also be willing to attack anyone anytime who is labeled an enemy of Islam when asked to by your local imam (a self-appointed fanatic who acts as a priest in Islam). Islam teaches that you have to accept the evil of Islam because in Islam evil is OK if it is the will of Allah. What a deal!"
- "Unlike the Christian god, Allah is angry, cruel and blood-thirsty and he sanctions and encourages suffering, treachery and terror towards non-believers which ironically seems to be the fate of Muslims around the world today. His followers (his slaves) seem to enjoy showing the world how they behead people and they seem to take delight in seeing innocent men, women and children getting blown up into little pieces while they chant that Allah is great. To the Christians, Allah fits the definition of the Devil, but that is another story."
- "The world would be far better off if Islam never existed."
- "Islam is a monotheistic religion created when Satan, under the guise of the angel Gabriel, assaulted Mohammad in his sleep by nearly choking him to death and ordering Mohammad to start reciting even though he was sleeping and more importantly, illiterate."

- "The religion is the fusion of Arab pagan moon-god worship rituals overlaid with false associations to Judaism and Christianity."
- Its fundamental purpose is the subjugation of the entire world. All persons will one day submit to the worshipping of the moon-god Allah (who is Satan).
- "To achieve this goal, Muslims are raised from birth to view all non-Muslims with contempt and hatred. They are also compelled to live under rules which make life on earth depressing and are promised an orgy that will last forever if they die engaging in actions that support the goal of Islam domination. This is the only sure way for a Muslim to know he is not condemned to Islam's hell."
- "Muslims believe that the Imam Mahdi with the help of the prophet Isa (Jesus) will appear in the last days of the current era to assist in Islam's inevitable victory over freedom. The Mahdi and Isa will lead a world-wide Jihad whose mission is to kill every Jew and destroy Christianity in a manner extremely similar to the Antichrist and the False Prophet in the Bible."
- "Islam is both a religion and a governmental system, it is probably the Babylon spoken of in Revelation, as the Holy Books of Islam were canonized in Baghdad, which is near the ruins of the ancient center of Satan's empire, Babylon."
- Islam promotes polygamy, child molestation, rape and incest. The reason why most Muslims are mentally retarded is that they tend to marry within their families thus producing retarded children."
- "A totalitarian, patriarchal, expansionist political system disguised as a religion. It was founded by Muhammad, an illiterate Arabian warlord with a God-complex in the 7<sup>th</sup> century. Islam means submission. The basic tenet of Islam is that all non-Muslims must submit to Muslims, and all women must submit to men."
- "Islam is focused on confronting and converting people of other faiths and religions – and it is traditionally spread through war, violence, terror, coercion, and pressure. Whenever there is a significant Muslim minority in a country, friction and violence is inevitable until Islam gains dominance. The victims are given the choice to convert to Islam, live as a dhimmi (protected minority) and pay a jizya (protection money / tax), or be killed or run out of their native land. It's impossible to officially covert out of Islam or change religions, according to Islamic law. Islam considers non-believers to be infidels and Islamic 'holy' texts permit violence and jihad against them."
- Islam has taken over 57 countries which now have an Islamic majority. The goal of Islam is to take over the entire world and cause humanity to revert back to the 7<sup>th</sup>

century as a means of achieving peace and harmony through complete dominance and obliteration of theological diversity."

- "The religion that follows history's greatest pedophile. Chris Hansen would be happy to catch this one!"
- "Mohammed aged 51 was with his favorite child-bride Aisha 6:"
  - "Mohammed would take a bath with the little girl and fondle her." (Bukhari 6:298)
  - "Mohammed deflowered pre-pubescent Aisha when he was 54 and she was 9." (Bukhari 7:62.88)
- "A Muslim is typically someone whose ancestors were forced to convert to Islam under the threat of death or violence."
- "Islam is a cult of hate, murder and mayhem which propagates violence in the name of the ancient moon god of the Arabs called Allah."
- "Muslims like to fancy themselves as the followers of the last revealed words of God who they call Allah, also referred to as Allahu Akbar."
- "In Islam, rape, marriage, and divorce of pre-pubescent children is allowed." (Koran 65:4)
- "Muslims, in fact, Allah himself, considered Mohammed to be the ideal man." (Koran 68:4, 33:21)
- "A Weapon of Mass Destruction."
- "Islam: A satanic, blatantly evil, male supremacist cult comprised of an imaginatively constructed socio-cultural paradigm; whose apophenic members modify their lifestyle according to a long dead shaman ancestor's view of the world. The primary purpose of Islam is to force males to be delusional and to enslave and degrade females.
- "Islam has two major and irreconcilably opposed divisions:
  - a) Shi'ite's who devote their lives to Allah, the prophet and the Koran.
  - b) Sunni's who devote their lives to Allah, the prophet and the Koran.

which is seen by both types as grounds for total hatred of the other."

- "For Muslims, Friday is a special day when they can spuriously riot about imagined insults to Islam and burn flags of western nations."
- "Part of a Muslim's remaining waking hours are spent examining vegetables etc, in their search for pareidolia expressing Koranic verses."
- Historically Islam gave nothing to the world; along with the other nine Arabic (actually Vedic) numerals. Islam falsely claims that 'god' is more important than humanity, whereas in reality nothing is more important."
- "A religion that prays to the Allah. Note that their Allah is a moon god that Mohammad took as he pleased from pagan religion; this is completely different from Christian God (YHWH).
- A religion whose prophet was a mass murderer (that was not an act of self-defense, rather Mohammad himself who made a war with innocent people back then, so don't give me a crap about his action was justified), f\*\*king 6 year-old kid (Aisha), practiced polygamy, told his followers to kill Christian and Jew so when they died, they got 72 virgins in heaven."
- A religion that is slowly crushing western civilization from inside."
- The most used word by Muslims (people who practice Islam) around the world is "Jihad" followed by 'BOOM' and 'Infidel'.
- "Islam is the only thing in the world you can't make fun of without risk of decapitation."
- ISLAM = International Society of Liars And Murderers

### **Selected Statements Concerning Islam Made By Important Historical Personalities**

Many important people in history have stated critical opinions and truths regarding Islam. The short selection below indicates the spectrum of these standpoints, opinions, and truths about Islam.

- "Ever since the religion of Islam appeared in the world, the espousers of it...have been as wolves and tigers to all other nations, rending and tearing all that fell into their merciless paws, and grinding them with their iron teeth; that numberless cities are raised from the foundation, and only their name remaining; that many countries, which were once as the garden of God, are now a desolate wilderness;

and that so many once numerous and powerful nations are vanished from the earth. Such was, and is at this day, the rage, the fury, the revenge, of these destroyers of human kind."<sup>3</sup> – John Wesley (1703-1791), Methodist leader.

- "Adopting from the new Revelation of Jesus, the faith and hope of immortal life, and of future retribution, he [Mohammed] humbled it to the dust by adapting all the rewards and sanctions of his religion to the gratification of the sexual passion. He poisoned the sources of human felicity at the fountain, by degrading the condition of the female sex, and the allowance of polygamy; and he declared undistinguishing and exterminating war, as a part of his religion, against all the rest of mankind. THE ESSENCE OF HIS DOCTRINE WAS VIOLENCE AND LUST.-- TO EXALT THE BRUTAL OVER THE SPIRITUAL PART OF HUMAN NATURE.... Between these two religions, thus contrasted in their characters, a war of twelve hundred years has already raged. The war is yet flagrant ... While the merciless and dissolute dogmas of the false prophet shall furnish motives to human action, there can never be peace upon earth, and good will towards men."<sup>4</sup> – John Quincy Adams (1767-1848), Sixth President of the United States.
  
- "How dreadful are the curses which Mohammedanism lays on its votaries! Besides the fanatical frenzy, which is as dangerous in a man as hydrophobia [rabies] in a dog, there is this fearful fatalistic apathy. ...The fact that in Mohammedan law [sharia] every woman must belong to some man as his absolute property, either as a child, a wife, or a concubine, must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men. Individual Moslems may show splendid qualities -- but the influence of the religion paralyzes the social development of those who follow it. No stronger retrograde force exists in the world."<sup>5</sup> – Sir Winston Churchill (1874-1965), British Prime Minister.
  
- "Today [1950], the hatred of the Moslem countries against the West is becoming hatred against Christianity itself. Although the statesmen have not yet taken it into account, there is still grave danger that the temporal power of Islam may return and, with it, the menace that it may shake off a West which has ceased to be Christian, and affirm itself as a great anti-Christian world power."<sup>6</sup> – Archbishop Fulton J. Sheen (1895-1979).
  
- "Mahometanism [Islam] is essentially an obstructive, intolerant system...It has consecrated despotism; it has consecrated polygamy; it has consecrated slavery.

It has declared war against every other creed; it has claimed to be at least dominant in every land...When it ceases to have an enemy to contend against, it sinks into sluggish stupidity and into a barbarism far viler...It must have an enemy; if cut off...from conflict with the infidel, it finds its substitute in sectarian hatred of brother Moslems..."<sup>7</sup> – Edward Augustus Freeman (1823-1892), British historian.

- "Qur'an... an accursed book... So long as there is this book there will be no peace in the world."<sup>8</sup> – William Gladstone (1809-1898), Prime Minister of Great Britain 1868 – 1894.
- "Am I calling for a war between Christianity and Islam? Certainly not. What I am calling for is a general recognition that we are already in a war. ...What we are fighting today is not precisely a "war on terror." Terror is a tactic, not an opponent. To wage a "war on terror" is like waging a "war on bombs": it focuses on a tool of the enemy rather than the enemy itself. A refusal to identify the enemy is extremely dangerous... ." <sup>9</sup> – Robert Spencer, American author and Islam expert.
- "Will not perhaps the temporal power of Islam return and with it the menace of an armed Mohammedan world, which will shake off the domination of Europeans — still nominally Christian — and reappear as the prime enemy of our civilization? The future always comes as a surprise, but political wisdom consists in attempting at least some partial judgment of what that surprise may be. And for my part I cannot but believe that a main unexpected thing of the future is the return of Islam."<sup>10</sup> – Hilaire Belloc (1870-1953), Anglo-French author and historian.
- "I view Islam not as a religion, but as a dangerous, totalitarian ideology -- equal to communism and fascism. Aren't I allowed to say so?"<sup>11</sup> – Geert Wilders, Dutch parliamentarian.
- "Christianity was saved in Europe solely because the peoples of Europe *fought*. If the peoples of Europe in the seventh and eighth centuries, and on up to, and including, the seventeenth century, had not possessed a military equality with, and gradually a growing superiority over, the Mohammedans who invaded Europe, Europe would at this moment be Mohammedan and the Christian religion would be exterminated.

Wherever the Mohammedans have had complete sway, wherever the Christians have been unable to resist them by the sword, Christianity has ultimately disappeared. From

the hammer of Charles Martel, to the sword of Sobieski, Christianity owed its safety in Europe to the fact that it was able to show that it could, and would, fight as well as the Mohammedan aggressor.

The civilization of Europe, America, and Australia, exists today at all, only because of the victories of civilized man over the enemies of civilization -- because of victories through the centuries from Charles Martel [Battle of Tours 732 AD], in the eighth century, and those of John Sobieski [Battle of Vienna 1683], in the seventeenth century. ...There are such "social values" today in Europe, America and Australia only because during those thousand years, the Christians of Europe possessed the warlike power to do what the Christians of Asia and Africa had failed to do -- that is, to beat back the Moslem invader."<sup>12</sup>  
– Teddy Roosevelt (1858 -1919), Twenty-sixth President of the United States.

- "Islam isn't in America to be *equal* to any other faith, but to become *dominant*. The Qu'ran should be the highest authority in America, and Islam the only accepted religion on earth."<sup>13</sup> – Omar Ahmed, CAIR (Council for American Islamic Relations) Founding Chairman.
  
- Ladies and gentlemen, we have to recognize that Islam is not a religion. It is a worldwide political movement bent on domination of the world. And it is meant to subjugate all people under Islamic law. In the Quran, it says it very clearly. There are two spheres. One is the *Dar al-Harb*, which is the realm of war. The other is *Dar al-Islam*, which is that part that's under submission to Islam. There is no middle ground. You're either at war, or you're under submission."<sup>14</sup> – Pat Robertson, American theologian.
  
- "It (the Koran) is certainly one of the most convincing proofs that Mohammedism (sic) was no other than human invention, that it owed its progress and establishment almost entirely to the sword."<sup>15</sup> – George Sale, English orientalist.

- Islamic countries and western democracies can never have an atmosphere of mutual confidence. Islamists never honor their pledges. Islamic countries really conspire against western democracies and institutions of the free world. Forget about international treaties with them. They will sign any treaty that they think promotes the furtherance of Islam.
- In Islam Muhammad and Allah are the united middle point. In western democracies humans are the middle point.
- No Muslim country can be a proper ally for the United States of America.
- The goal of Islamists is to overthrow the political order of the United States of America and turn it into a sharia law caliphate.
- Jihadists consider mass murder, beheadings, and terrorist attacks as normal activities for fighters of Allah.
- If the United States of America or any other country make deals with Islamic terrorists, that country will have to pay for its dumbness in a worse way than terrorism.
- Islam dismisses western traditions, western morality, and western ethics because they do not come from Muhammad and Allah.
- Islamists claim that Islam (sharia law) is a better justice. There is no real love in Islam and there can be no real love in Islam because Allah seeks to harm.
- The hadiths of Muhammad are not historically accurate. They are evil fantasies.
- Allah is not God. Allah is Allah only and Allah is far less than God.
- Muslims and Islam have infiltrated the American government under Barack Hussein Obama at his invitation. Islam and Islamists are formulating American domestic and international policy.
- The fundamental drive of Islam is its assumption that Islam will destroy America and on its ruins a new, Islamic caliphate will be constructed after the Islamic pattern. American Patriots will prove that assumption and the drive to be false.
- One of the successful methods to combat Islam is to ridicule it and discredit it. It is easy to ridicule and discredit because it is anti-humanitarian.
- There is no love in Islam because those who claim to love Allah also want to kill those who do not believe in Allah.
- The modus operandi in Islam is always tampering with the truth and committing character assassinations, to say nothing of beheadings.

- Muslims cannot encounter a different reality other than Islam because under Islam they succumb to forces of illusion and self-delusion.
- Islam has always subverted history in its violent conquests.
- Islamists are establishing sharia law when they conduct jihad.
- Muslims do not twist the codes of Islam – the Hadiths and the Koran. They exemplify these evil codes.
- Perhaps the only way to eliminate Islam is to make it extinct. Scrub the world clean!
- The command of Islam to its Muslim believers is for Muslims to hate and despise Jews and Christians and never accept them as friends.
- Muslims do not hate Satanists because they have similar beliefs.
- We often hear and read *Islam is a religion of peace*. That is a big lie with no veracity, no evidence, and no reality.
- Here are some examples of peaceful Islam: use of violence and terror, civilian casualties as a result of their attacks according to the dictates of the Hadiths and the Koran.
- There is only one sin for a Muslim: refusal to go into battle against unbelievers. Those who do not go into battle against the unbelievers will burn in Hell.
- There are 124 suras (verses) of tolerance in the Koran. All of them are abrogated (cancelled) by any subsequent sura that has a different meaning.
- Islamic tolerance is cancelled out by Islamic intolerance.
- What are the facts behind Islam? Find out before Islam is whitewashed and the facts disappear to the degree that Islamic scholars will maintain that they never existed.
- Reach out to Islam? Bullshit!!! That is a form of suicide. I do not want to lose my life and I do not want to lose the only head I have.
- There are 109 war verses in the Koran and about 50 direct references to armed struggle, (armed conflict = jihad) in the Koran. The Hadiths have more references to jihad.) Therefore jihad is not a spiritual phenomenon. It is a military action aimed at conquering.
- Islam thrives on censorship, polygamy, rape, and slavery and everything else that is illegal in western societies.

- Islamic apologists are busy directing Americans away from the basic fact that freedom and Islam are incompatible.
- Islamists love death to the same degree that unbelievers love life.
- The Muslim Brotherhood has 29 friendly front organizations in the United States of America.
- Islam is the source of racism. It was always racist and will always be racist as long as it exists.
- There are no moderate Islamic views. All of them are violent views!
- Americans are not educated in the history and the truth about Islam. They are brainwashed into embracing Islam.
- If you want to break the law in America and get away with it, say you are a Muslim and you obey only the Koran.
- It's about time for non-Muslims to stop being politically correct and tolerant and recognize Islam for what it is: an evil cult based on fear and spreading fear.
- If you have doubts about what Islam is up to or that it is peaceful and only regionally oriented then consider this statement from Ayatollah Khomeini (1902-1989), Jimmy Carter's man of God! "Islam makes it incumbent on all adult males, provided they are not disabled and incapacitated, to prepare themselves for the conquest of [other] countries so that the writ of Islam is obeyed in every country in the world. But those who study Islamic Holy War will understand why Islam wants to conquer the whole world.... Those who know nothing of Islam pretend that Islam counsels against war. Those [who say this] are witless. Islam says, kill all the unbelievers just as they would kill you all! ...Whatever good there is, exists thanks to the sword, and in the shadow of the sword! People cannot be made obedient, except with the sword! The sword is the key to Paradise, which can be opened only for Holy Warriors! ...Does all that mean that Islam is a religion that prevents men from waging war? I spit upon those foolish souls who make such a claim."
- The greatest killing machine throughout history from the early 7<sup>th</sup> century is Islam. A conservative estimate, very conservative, is that Islam has killed over 300 million people who were not Muslim.
- What's wrong with calling Islam an *evil empire*? It's the truth!
- Islam separates Islamic theory from Islamic practice and vice-versa.
- The mainstream media places Islam over American traditions and culture.

- Do you want to know the evil truth about Islam? Read the Koran. Don't let anyone tell you what's in it and what's not in it. Evil is in it! The Koran says this!
- The foreign policy of Saudi Arabia is to export Islam.
- Sharia law has precedence over any other law because it comes from Allah, a moon god!
- The tragedy of Islamic believers is that they are lunatics and they don't know it.
- The United States of America has no logical reason to replace its traditions and culture with Islam. It would be a journey into evil.
- What the USA needs is a new McCarthy Era concerning the Islamization of America. Senator Joe McCarthy, who tried to defend his country against another evil, communism, was right with every accusation he made.
- Islam and Muslims have made massive incursions into the federal government. Their super agent is Barack Hussein Obama.
- Islam will extinguish whatever human dignity remains in the world.
- Islam is a gigantic lie and gigantic lies always take root because the bigger the lie, the more prone people are to believe it.
- Don't trust Islam and Muslims. They will always wage a clandestine war against those they wish to conquer.
- Why does the USA allow the destructive, evil force of Islam to exist?
- Muslim organizations in America are using American statecraft as an appendage of Islam.
- The American government must expose all areas of Islam as crimes on humanity.
- We are seeing the ultimate impact of Islamic influence on America, Islamic conspiracy. The subversion of logic is what it is doing to the United States of America.
- Islam is spreading in the USA and around the world because it uses the lesser known side of what is called espionage: deception, disinformation, influence, provocation, and subversion.
- An excellent method of combating the spread of Islam in the USA would be to have the mass media investigate it thoroughly. However, that would mean that the mass media VIPS would lose their bribes.

- A major problem in combating Islam in the USA is that the dumbed-down citizen thinks Obama and all Muslims are trustworthy.
- American Patriots must show the loathsomeness of the Obama regime because that loathsomeness is the source of its lies and creates the atmosphere for the existence of evil beliefs like Islam.
- Islam is a culture of omission. It omits what is good and substitutes it with evil.
- One reason for the rise of Islam in America is media bias.
- The premise of Islam: The non-believers of the past are dead. Those of the present are also dead or will be dying. So what if a few millions are killed in the name of Allah and Muhammad as long as the great idea of Islam continues onward? (Rather backwards?)
- Islam is a big lie. It knows that the truth is available to those who can think logically. Yet, Islam says the deceiver must not relinquish. Denial must take place on the one hand, and a pool of big lies must take place on the other hand. This will cause confusion for the passive progressives and leftists and create an atmosphere for the acceptance of the various versions of the truth as pronounced by the Islamic propagandists.
- Islam denies history. It will always rewrite history in the sense of what ought to have happened.
- For Islam, the truthful facts about Islamic crimes against humanity are the real crimes.
- In the Hadith according to Bukhari (4.52.220) Muhammad said: "I have been made victorious through terror."
- Ayatollah Khomeini: "Allah did not create man so that he could have fun. The aim of creation was for mankind to be put to the test through hardship and prayer. An Islamic regime must be serious in every field. There are no jokes in Islam. There is no humor in Islam. There is no fun in Islam. There can be no fun and joy in whatever is serious. Islam does not allow swimming in the sea and is opposed to radio and television serials. Islam, however, allows marksmanship, horseback riding and competition ... ."17
- Hasan al-Banna, the Founder of the Muslim Brotherhood: "We summon you to Islam, the teachings of Islam, the laws of Islam and the guidance of Islam, and if this smacks of "politics" in your eyes, then it is our policy . . . Islam does have a

policy embracing the happiness of this world . . . We believe that Islam is an all-embracing concept which regulates every aspect of life, adjudicating on every one of its concerns and prescribing for it a solid and rigorous order."<sup>18</sup>

This is true. Islam even tells one how to go to the toilet the only correct Islamic way! After reading the following footnoted article you will be convinced.<sup>19</sup>

- Islam in any form, private, communal, regional, national, or international is a violent threat to liberty.
- Barack Hussein Obama, regardless of how he is dressed, wears Islamic clothes.
- The prostitute mass media in America, Europe, indeed, the world, are prohibiting the implications of true Islam from being presented in correct focus. It is a major contribution to the downfall of Western Civilization.
- Perhaps under Barack Hussein Obama America's new Independence Day will be 11 September.
- "Unlike Nazism, communism has never been judged guilty or even held responsible for the carnage and suffering it has caused. On the contrary, it remains a source of 'liberal' statist ideas such as Obamacare. ... FDR presided over the biggest national security disaster in U.S. history, the massive infiltration of the U.S. government by agents of a foreign power." The present problem with America is that Islamic agents are infiltrating all levels of government and society and no one cares.<sup>20</sup>
- Hitler murdered over 7 million Jews. Under Stalin over 50 million Russians were murdered or disappeared in the GULAG. Under Islam hundreds of millions have been murdered since the seventh century. Barack Hussein Obama will be remembered for his allowing the massive infiltration of Islamists into the federal government, probably on a level higher than what Franklin Delano Roosevelt allowed for Soviet agents.
- Do not send to know for whom the bell tolls. It's gone and there is a minaret in its place.<sup>21</sup>
- Islam forces the independent individual to become a soulless object. Also: Islam degrades the individual to a passive object.

- Islam is bacon of dope.
- "Killing Jews is worship that brings us closer to Allah."<sup>22</sup>
- "The simple step of a courageous man is not to take part in the falsehood."<sup>23</sup> Therefore, don't take part in the lie that is Islam and be courageous!!! Don't fear Islam!!! Don't ask anything of Muslims, and don't believe them!!! Don't forget that Islam rejects all concepts of ethics and morality.
- Religions of the past placed emphasis on the sun. Islam placed emphasis on the moon, and still does. The sun is a symbol of godliness. The moon is a symbol of anti-godliness, i.e., Satanism.
- The year is 2080. There are no church spires. There are only minarets and the churches have become mosques where lunatics pray a collective homage to evilness.
- Allah is crap and Muhammad is its diarrhea.
- Recently there have been a number of German politicians saying *Islam gehört zu Deutschland*. (Islam belongs to Germany.) It will be only a matter of a short time and they will be saying *Germany gehört zum Islam*. (*Germany belongs to Islam*.)
- Question: Is a synagogue protected by the Koran?  
Answer: Yes, because Muslims know that after the Jews are killed their synagogue will be converted into a mosque.
- For Christians and Jews the message of life is love, even love of one's enemies. For Islam the message of life is hate and destruction/elimination of everyone and everything that is not Islam.
- Jesus Christ never justified violence and killing. Muhammad always did it and justified it with his Allah voice, most often as a result of one of his epileptic fit hallucinations.
- Islam is the collective of violence and terror.
- There never was a Golden Age of Islam. Islam was always an age of blood and violence and the killing of unbelievers. Islam is a continuous age of blood and rage.

- "In the long stretch of time since the life of Muhammad, it is doubtful if there has been a single year in which Muslims, in some part of the world, have not been fighting against Infidels. ... In the great majority of these wars, Muslims were the aggressors."<sup>24</sup>
- Islam lives and breathes deception. One cannot understand what they are doing without comprehending this fact. Indeed, one cannot understand Islam without understanding deception.<sup>25</sup>
- American culture and history are being stolen by Islam and its tools in America. American culture and history are being diverted, rewritten, and propagandized to the point where the former truths are turned into lies, thus changing historical reality into deception.
- Who reads the Koran? Only a few people who are already jihadists, wagers of holy war for Islam.
- DemocRATS consider foreign aid to Islamist countries as being stimulus spending in favor of America. In reality is it nothing more than a modern form of the jizya tax.
- The whining of Palestinians is nothing more than the misrepresentation of their phantom country for ideological ends.
- The three Ds of Islam: Deflect, Destroy, Deny.
- Concerning Islamic crimes and deceptions: The West, particularly the United States of America has been infiltrated deeply by dark, Islamic forces that conduct their propaganda undisturbed. The argument is that such a condition must not be exposed because it might upset Islamic countries; it might worsen relations with the sources of evil and the wishy-washy governments of the West would be attacked by the hardliners who are opposed to Islam.
- Islam's glaring lie: Islam is peace and tolerance!
- Islam's friend in the United States of America is liberalism!

- DemocRATS and RINOS (Republicans In Name Only) have always seen the dangers coming from Islam as being non-dangers and something to shrug off. With regard to this matter American patriots are ridiculed and routed by the lamestream media.
- Regardless of where Islam is located, it always conducts campaigns of deception and manipulation.
- In the *Catechism of the Revolutionists* there is a description of a mode of operation that applies to Islam exactly when Islam conducts relations with non-Islamic countries: "One (A Muslim) may conspire with them in accordance with their program, making them believe that one follows blindly and at the same time one should take hold of them, get possession of their secrets, compromise them to the utmost, so that no avenue of escape may be left to them, and use them as instruments for stirring up disturbances in the State."<sup>26</sup>
- With disguised organizations under the control of billionaire George Soros and the influence of Islam, there is no question that the Obama Regime and the DemocRAT party are fronts for Islam.
- There must be a patriotic assessment of Islam's occupation of America.
- "How could the origins of infiltration contained in Islamic law and Islamic relations have stayed swept under the rug? The answer has to do with a new gospel of falsehood, new commandments, new patterns of thinking, new modes of reaction. Emerging from the requirements of habitual secrecy and lies, this gospel has inspired its followers, on an unprecedented scale, to decouple the fact from implication, knowledge from conclusion, logic from judgment. In serving enemy ideology the Obama Regime, exonerates the guilty, denies evidence, and flails ... sources. Doing so consciously or not, bends them, bends their brains, bends their thought processes – and by unavoidable extension and necessary entanglement, bends ours, too, undermining the solidarity and credibility and worth of absolutes. Facts and evidence no longer have the same heft they used to. Givens have been taken or had to be nailed down going out the door, which has left gaping holes. Oaths, so help me God, have been flouted with demystifying regularity. Two plus two might equal five, it might not."<sup>27</sup>
- Lying under oath is not a felony in Islam. It's a commandment.

<sup>27</sup> Adapted from a statement by Diana West in her book *Betrayal The Secret Assault on Our Nation's Character*, Saint Martin's Press, New York: 2013, p. 178.

- Islam is thought control.
- Islam and its policy of dhimmitude creates ghettos.
- Barack Hussein Obama is presiding over the ideological transformation of the DemocRAT Party into a puppet of Islam.
- Islam is the process of control of the individual to absolute control of the individual so that there is no longer an individual, but the umma.
- The Barack Hussein Obama Regime is converging with Islam which is not converging with the United States of America and the Barack Hussein Obama regime. In other words, the Barack Hussein Obama Regime is conducting a policy of capitulation and its so-called going forward is nothing more than appeasement.
- Islam is an evil empire, regardless of where it is entrenched. The Barack Hussein Obama Regime is on its way to unreturned concession and appeasement that is unredeemable.
- All agreements with Islam on the other side are made in good faith on the one side, and a bunch of lies on the other side.
- The United States of America under the Obama Regime and the DemocRATS have retreated from world leadership and their associations with Islam have forsaken morality and left the United States undefended.
- The decision of Western governments to recognize the lie of Islam that it is peaceful and tolerant, and the West's determination to continue this recognition, regardless of how fantastic the lie is and how historical facts refute it, has allowed Islam to make transformations in Western societies akin to moral lobotomy.
- There is no longer a conscience of a civilized world. There is only the principles of Islam that deny a conscience.
- In their relationship with Islam, Western societies have abandoned their moral traditions and the lessons of the Enlightenment. Facts are out. The ideology of an evil cult is in.
- Islam is always the epicenter of any betrayal.

- Like Iran, Muslim governments violate treaties repeatedly and Western governments turn their heads and hope for a new treaty. The result will be new treaties accompanied by Islamic impunity.
- The Barack Hussein Obama Regime regurgitates the Islamic line.
- The truths about Islam as an evil cult are logical and have been proven. The problem is that Western societies will not accept them.
- What do Islam and America under Barack Hussein Obama have in common? In Islam the subjects are forced to repeat and live by Muhammad's lies. Americans are forced to live and repeat the lies of the Obama Regime.
- Philosophical, political and sociological cover-ups are the development of Islam. The kaffirs have always been on the Islamic sting.
- I thank God for taking the souls of the victims of Islam in the past, the present, and the future into His paradise.
- Islam would never have existed had Muhammad not been a psychologically disturbed epileptic. However, I will never insult Muhammad. What he brought into the world is enough insult, in fact it is self-insult.
- Muhammad's favorite color was green, followed by white and black. The laws of physics say that white is all colors and black is the absence of color. Nevertheless, Muhammad's colors are toxic to those who speak the truth.
- Those who are pro-Islam do not understand that the truth about Islam is important.
- What is Islamic propaganda? It is politicization of the dumb!
- The less a society respects the truth about Islam, the less secure that society will be and the more unsolved mystery filled with lies Islam will remain.
- Principles of logic are universal. Here are three prime examples of Islamic principles that are universal logic:

Islamic martyrs will go to Jannah and receive a continuous life of sex with 72 virgins. ([http://wikiislam.net/wiki/Authenticity\\_of\\_72\\_Virgins\\_Hadith](http://wikiislam.net/wiki/Authenticity_of_72_Virgins_Hadith))

A black dog is the Devil. (.[Sahih Muslim 4:1032](#))

The earth is flat and the sun sets in muddy water. ([http://www.answering-islam.org/Quran/Science/sun\\_set.html](http://www.answering-islam.org/Quran/Science/sun_set.html)) presents a lengthy discussion.

- "What thousands of confused liberals have believed (and continue to believe) (is) that one must allow a seditious Party (Islam) to destroy one's own country rather than expose the men and women who are the Party."<sup>28</sup> Liberals think that unmasking Islam is a greater crime than Islam's war against America!
- The goal of Islam is to subvert the *Constitution for the United States of America*.
- Allowing Islamic subversion with liberal support means that the United States of America has gone over to Satan's side. The corruption of America is thus complete.
- Islam robs "people of freedom of speech, freedom of political convictions, their personal liberties, free choice of domiciles and travel, freedom of profession, and the opportunity for everyone to take his place in society in accordance with his capabilities. Islam "replace(s) these freedoms with terror, party (Islam) privileges, and arbitrariness toward the individual."<sup>29</sup>
- The greatest Islamic triumph is in its lying propoganda. Practically everyone believes that Islam is peaceful and tolerant.
- Islam is nothing but evil. Here is an incomplete listing of Islam's evils.

- 1: Islam's paradise of evil, demented, depraved sexual perversity
- 2: Kill the infidels wherever you find them
- 3: Extortion
4. Barbaric cruelty
5. Allah's teaching of pedophilia
6. Sanctioning unrestrained slavery and rape for Muhammad by his Allah
- 7: Sanction of wife beating
8. Allah takes a share of plundered booty
- 9: Allah is a barbarian
- 10: Teachings of torture, enslavement, beheading cruelty, eye-for-eye .....

#### TORTURE

Quran 22:19-22: "*fight and slay the Pagans, seize them, beleaguer them, and lie in wait for them in every stratagem*" "*for them (the unbelievers) garments of fire shall be cut and there shall be poured over their heads boiling water*

*whereby whatever is in their bowels and skin shall be dissolved and they will be punished with hooked iron rods."*

#### SLAVERY

*Quran 2.178: "O you who believe! retaliation is prescribed for you in the matter of the slain, the free for the free, and the slave for the slave, and the female for the female, but if any remission is made to any one by his (aggrieved) brother, then prosecution (for the bloodwit) should be made according to usage, and payment should be made to him in a good manner; this is an alleviation from your Lord and a mercy; so whoever exceeds the limit after this he shall have a painful chastisement."*

You kill one of my slaves, females or free man and I'll kill one of your slaves, females or free man.

#### BARBARIC CRUELTY

*Quran 5:38: "Cut off the hands of thieves, whether they are male or female, as punishment for what they have done-a deterrent from God: God is almighty and wise." 39 "But if anyone repents after his wrongdoing and makes amends, God will accept his repentance: God is most forgiving and merciful."*

#### EYE FOR EYE

*Quran 5:45: "And We prescribed for them therein: The life for the life, and the eye for the eye, and the nose for the nose, and the ear for the ear, and the tooth for the tooth, and for wounds retaliation. But whoso forgoeth it (in the way of charity) it shall be expiation for him. Whoso judgeth not by that which Allah hath revealed such as wrong-doers."*

#### BEHEADING

*Quran 8.12: "Remember thy Lord inspired the angels (with the message): "I am with you: give firmness to the Believers: I will instill terror into the hearts of the Unbelievers: smite ye above their necks and smite all their finger-tips off them."*

There are 75 teachings of beheading in Quran.

#### SLAUGHTERING

*Quran-8:67: "It is not for any prophet to have captives until he hath made slaughter in the land. Ye desire the lure of this world and Allah desireth (for you) the Hereafter, and Allah is Mighty, Wise." (Allah insists that the Prophet kill all the prisoners, and should not keep any surrendered prisoners alive until He (the Prophet) occupies entire Arabia (and the world.)*

The Quran is a mine of the most evil teachings human history has ever seen. Islam is out-and-out Evil in the Name of God<sup>TM30</sup>

30 Abridged from <http://www.danielpipes.org/comments/195861>)

- The year of America's fall is 2008, when the Muslim traitor Barack Hussein Obama was illegally elected president of the United States of America. Of course, the DemocRAT Party had prepared this many years in advance.
- One reason Americans will never learn the truth about Islam's infiltration of America from within and without is because Barack Hussein Obama personally ordered all anti-Islamic educational materials purged from the FBI, American security files, military files, and training courses. This purging was overseen by the Justice Department and the Pentagon.
- One big lie of Islam – Islam is peaceful – begat other big lies – Islam is tolerant, Islam is God's religion, Muhammad is a prophet of goodness – and these are maintained to the present day. The lies of Islam will occupy the minds of dumb people in perpetuity.
- What has the United States of America received from Islam? We now know that Islam is peaceful and tolerant. This is the statement of Islamic exceptionalism. The United States of America have exchanged the foundational principles of the *Constitution* and the guiding ideas of the Founding Fathers for absolutely ZILCH! Islam gives Americans empty words, false promises, vain, destructive dreams, and a vacuum in logic. In this vacuum facts are weightless, logical conclusions disappear, judgment becomes relative, never just; implications founder in Islamic emotionalism and Islamic ritual.<sup>31</sup>
- Islam declares war against the non-Islamic world and the non-Islamic world kowtows.
- The Western democracies confront Islamic aggression with silence.
- Americans' ignorance is no match for the deviousness of Islam.
- Jihadists conduct terror for the expansion of their Islamic empire.
- Islam cannot be America's ally because in reality it will be America's manipulating master.
- Barack Hussein Obama's praise of Islam can be summed up in three words: Slurp! Slurp! Slurp!
- Americans have become so dumbed down by POLDS (Progressives, Obots, Liberals, DemocRATS, Socialists-Communists) that they are no longer able to

understand themselves and any portion of the outside world that is not controlled by Islam and the lamestream media.

- Islam will never give up its policy of world domination even though Islamic countries will claim friendly relations with Western democracies.
- Islamic propaganda is conceived in Saudi-Arabia and the Muslim Brotherhood. It is propagated by Imams and jihadists.
- Convergence with Islam means take-over by Islam. Convergence means that America will do everything possible to appease Islam, whose intent is to destroy the American traditions, the American culture, and the American way of life.
- Islam ruins the world and humanity.
- By cooperating with Islam, freedom-loving societies, especially those in the West, will spend eternity being impaled by it.
- The principles of the *Constitution for the United States of America* have come to mean nothing because America has turned into an apologizer for Islam.
- The West is eager to become fools in good faith when believing that Islam is peaceful and tolerant. The irony is that there is no good faith in Islam.
- When it comes to exposing the infiltration of America by Islam, politicians of the DemocRAT Party and the RINOs suddenly become silent.
- What is Islam? An evil empire!"
- Islamic immigration is a diplomatic weapon of Islam.
- Submitting to Islamic Sharia law means that one desires to live as a barbarian.
- Islam succeeds because it provokes. The dhimmis keep silent and learn to behave like a dog that is unable to exercise the freedom of wagging its tail.
- Islam in English means *submission*. A better word is *terror*!
- What is Islam? When one reads reports of Islamic peacefulness and tolerance one learns that

Islam is censorship,  
Islam is child rape,

Islam is conquest,  
Islam is death for apostasy,  
Islam is forced conversion,  
Islam is no-go zones.  
Islam is pillage,  
Islam is religious cleansing,  
Islam is slavery,  
Islam is violence,  
Islam belongs to France, to Germany, to Sweden, to Great Britain, to the United States of America.

- Those who are pro-Islam are Islam's useful fools.
- In America the real threat is American patriots. Islam has become the modern patriotism.
- In its relationship with Islam, the West has learned to disregard facts and to shut off logical thinking.
- The moment an individual accepts the tenets and language of Islam, that individual allows his world and his sense of self respect to be hijacked along with his language. No matter how inadvertently he uses the tenets and language of Islam, he is now part of that cult, and has entered into a pact with evil; indeed, he has entered into a pact with Satan.<sup>32</sup>
- America has been infiltrated by Islam and under Obama it has apologized for its past and converged with evil.
- Islam changes mores into immorality and evil.
- If Islam has infiltrated the United States of America and the United States government – and it has – what difference does America make in the world? None! There is no longer American exceptionalism! America no longer has a national character worth defending.
- Political correctness when used in presenting Islam means to me that there is something phony, cultic, illogical, totalitarian, unreasonable, suppression of facts, and blockage of thinking.
- Political correctness causes the truth about Islam to become taboo.

<sup>32</sup> Adapted from a quotation by Alain Besaçon, in Robert Conquest, *Reflections on a Ravaged Century*, W. W. Norton and Company, New York: 2001 pp. 112-113.

- In the wake of 9/11 and the entrenchment of Islam and the Barack Hussein Obama regime, American society has changed beyond recognition, ... the worst possible.
- Islam will make the American dream, or what is left of it, a nightmare.
- There never was a Golden Age of Islam. "The archaeological non-appearance of the Islamic Golden Age is surely one of the most remarkable discoveries to come to light in the past century. It has not achieved the sensational headlines we might expect, for the simple reason that a non-discovery is of much less interest to the public than a discovery. Then again, as archaeologists searched in vain through site after site, they imagined they had just been unlucky; that with the next day's dig the fabulous mosques, palaces and baths would be uncovered. And this has been the pattern now for a hundred years. In fact, the entire Islamic world is a virtual blank for roughly three centuries."

Moreover, "(w)ith the reign of Elizabeth I, England became the mortal enemy of Catholic Europe and the Catholic power of the time was of course Spain. From this point on, English-speaking historians tended to be heavily biased against Catholic Spain and, unsurprisingly, extremely favorable towards Spain's Muslim enemies, who were romanticized and portrayed as cultured and urbane. It was then that the myth of the 'golden age' of the Spanish Caliphate was born – a myth which ... still has very wide circulation. Yet the reality was quite different: With the Muslim conquest of North Africa and Spain, a reign of terror was to commence that was to last for centuries. The war in Spain dragged on (from the eighth) until the fifteenth century."<sup>33</sup>

- The concept of Holy War is from Islam, although the terminology *holy war* is a European invention that derives from academic studies of war in a European context.<sup>34</sup> The concept *holy war* means that religious legitimization provides a justification for conducting war. The Islamic activity of conducting a holy war based upon religious justification for such action is the concept of jihad. The etymological development and semantic meaning of jihad have no relation to holy war as such. "Jihad derives, rather from the root *j.h.d.*, the meaning of which is *to strive, exert oneself, or take extraordinary pains*. Jihad is a verbal noun of the third Arabic form of the root *jahada*, which is defined classically as 'exerting one's utmost power, efforts, endeavors, or ability in contending with an object of disapprobation.' Such an object is often categorized in the literature as deriving

from one of three sources: a visible enemy, the devil, and aspects of one's own self."

Nevertheless, "... holy war can be traced in (Islamic) sources, from the early impossibility of Muhammad's followers defining their own kinship group as the enemy, to the materialistic raids conducted even against their own kin, to the total declaration of war against all groups, whether kin or not, who did not accept the truth (as stated by Muhammad) or hegemony of Islam."<sup>35</sup>

- "Jihad is a state of permanent war (which) excludes the possibility of true peace."<sup>36</sup>
- "It is an acknowledged fact that it was in (Islamic) Spain that the warriors who joined the First Crusade learnt their anti-Semitism."<sup>37</sup>
- In their methods the Crusaders were no different from the Jihadis. But there still was one important difference. The Jihadis had attacked Christendom in 629 at the battle of Mu'ta without provocation, and had continued attacking Christians, as they still do. The Crusade was to roll back in some measure this unprovoked Muslim attack. The Jihadis were aggressors, while the Crusaders were defenders. We should remember this difference!"<sup>38</sup>
- "(T)he phenomenon we call 'Crusading' began, properly speaking, in southern Italy and more especially Spain, during the seventh and eighth centuries, as Christians-fought a desperate rearguard action to save what they could from the advancing Saracens. This action was to develop into a protracted struggle that was to last for centuries, and was to have a profound and devastating effect upon European civilization. Above all, it meant, by sheer impact of force and time, the gradual adoption by the Christians of many of the characteristics of their Muslim foes."<sup>39</sup>
- Do unto others as you would have them do unto you. This is the Golden rule.. However, it does not exist in Islam. Therefore, Islam is immoral and unethical.
- ISIS and Boko Haram are not aberrations. They are the core beliefs of Islam as practiced by the original, evil Mohammad.
  
- A little more than 70% of the Koran concerns violence.
